rather than work off his family's debt, she can't express her shock and dismay without breaking her Last Day contract Backed into a corner, Speth finds a loophole and her unexpected defiance of tradition sparks a media frenzy, inspiring others to follow in her footsteps, and threatens to destroy her, her family and the entire city around them

### **Once Upon a Snow Storm - Melissa K. Norris**

Darkness sprang from the forest, gripping the last of daylight Snow muffled her footsteps Callie twisted her head around, but her hood hid the view She couldn't hear anything with the howling wind Bites of snow slapped her face She squinted Why hadn't she thought to bring a lantern? The snowstorm blocked the meager mid-winter light

Now, she cleared her mind of the other things occupying her mind, things she couldn't tell anyone in this room about, things that shaped her own unwritten story The problem that obsessed her receded to the end of a long and distant tunnel, and what she needed to do now was the only thing that came into focus

### **INTO SILENCE MARLIN BARTON**

her mother was there instantly, always her mother But something sounded wrong, or had not sounded, except inside her where ill-ness and confusion grew She hadn't heard herself, hadn't heard the call she'd made - Mama And though her mother was already gripping her ...

### **The Chronicles of Amber**

A nurse poked her head in the door about ten minutes later, and I was, of course, still sacking Z's She went gripping the rail at the head of the bed, and I took my first step the only sounds my footsteps from the too big borrowed shoes Laughing Boy's wristwatch told me it was five forty-

### **DISCOVER QUEEN OF SCOTS - National Museums Scotland**

Discover Something about Mary, Queen of Scots To describe the short life of Mary, Queen of Scots as 'dramatic' is an understatement By the age of 16 she was Queen of Scotland and France (and, many believed, rightfully of England and Ireland, too); as an infant she had been carried to castles around Scotland for her safety; by the time she
